Please read the following statement and sign in the space provided.

As a member of East Mountain Organic Farms' CSA, I understand there is some risk associated with joining a CSA, that despite a grower's best efforts, some crop loss can occur. I understand that my share payment does not guarantee me an exact amount of produce. I am making a commitment to support EMO, and I take part in the rewards and the risks of the growing season. I also understand that I am responsible to show up at the scheduled distribution time and place to obtain my share. If I fail to show up, I understand I will forfeit my share.
