East Mountain Organic Farms is offering a Community Supported Agriculture (CSA). Within our CSA your money directly supports our farm in growing your vegetables and boosts our local economy by keeping the money within our community. We proudly provide you with a beautiful bountiful box of vegetables that are 100% organic and 100% locally grown in the East Mountains of Albuquerque. Our vegetables are picked and cleaned the day before you receive them, making them the freshest and healthiest around. If you are interested please go to our website @ www.eastmountainorganicfarms.com. Fill out the CSA form and send it in with your payment. Please remember availability is limited. Any questions please call (505)281-5083. We greatly appreciate all your support and look forward to a tasty season.
